Acid Neutralizer

THE PROBLEM:

Cellular Acidosis is caused by the intake and buildup of toxic acid in your cells due to poor life style habits and exposure to toxic man-made chemicals called Obesogens. Sugary, fried and processed foods, caffeinated drinks, soda, pharmaceutical drugs, exposure to toxic man-made environmental pollutants and chemicals lead to a vicious cycle resulting in storage of fat soluble acid in the cells and tissues of your body. Most detox programs are not capable of converting fat soluble toxins into water soluble inert compounds that can easily be removed by the body.

THE SOLUTION:

Daily Acid Neutralizer has been specially formulated with a powerful blend of ionic trace minerals, which promote the neutralization and elimination of excess acids and toxins in the body tissues and fluids. * Acid Neutralizer is a simple, convenient way to regain your health and flush out acid waste that is making you sick, achy, tired and fat.

ACID NEUTRALIZER:

- Contains a full spectrum blend of ionic trace minerals as an antidote to every type of acid and free radical*
- Helps to neutralize and eliminate excess acid throughout your body*
- Helps replenish alkaline mineral reserves*
